WE'RE MOVING!

**The Lehigh Valley
Outreach Depot has
found a new home ...**

A new year means a new home for the Depot!
We have purchased a warehouse in Allentown
and will be moving by the end of January. To that
end, we will not make new appointments for guests
or to pickup furniture during this transition.

This is a big challenge for us in so many ways. We
would appreciate any donations you can make.

Details will follow in our winter (February) newsletter.
